Forecast For East of England
Issued by Met Office Exeter
at 0400 on Monday 09 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Scattered showers, turning heavy with chance of thunder by afternoon.

Today:
Starting mainly dry and bright across Norfolk before rain and showers across remaining areas spreads north and east. A showery afternoon is likely with heavy showers, some turning thundery with torrential downpours. Quite warm by afternoon with a southwesterly breeze. Maximum temperature 22 deg C (72 deg F).

Tonight:
Showers becoming lighter and more isolated during Monday night with some clear spells developing across the region. Chance of rain across southern areas around midnight. Dry later. Light winds. Minimum temperature 12 deg C (54 deg F).

Tuesday:
After a bright start Tuesday will start fine with sunshine. Cloud building by the afternoon with a chance of an isolated shower. Light winds. Maximum temperature 23 deg C (73 deg F).

Outlook for Wednesday to Friday:
Wednesday will be dry, with sunshine and light winds. Thursday bright with some sunny spells. Showers possible later. Friday rather more breezy with sunshine and probably remaining dry.
